

## Two Downstate Men Arrested For Shotgun Felonious Assault

Victor Fischer, 40, of Royal Oak, and Robert Fischer, 36, of Roseville, were arrested Saturday after pointing a shotgun at a sheriff deputy.

The two men were allegedly chasing a 10-year Grayling youth in the city when a Crawford Co. Sheriff deputy, while off-duty, confronted the men and identified himself as an officer. The two men got in their vehicle, drove a short distance, and then stopped and pulled a shotgun from the truck pointing it at the deputy.

The deputy backed away and the men fled. They were arrested a short time later by Grayling City Police and Sheriff deputies and charged with felonious assault. The shotgun involved was recovered.

## 3 Lehman Inmates Walk Away

Three Lehman inmates - all serving time for armed robbery - walked away from the prison facility Sunday.

At large are Ken Enos, Greg Harmen, and Daniel Jankowski. Enos, 24, is a white male, 5'10", 155 pounds, with brown eyes and hair. He was serving time for armed robbery and assault. His father is from Roscommon County.

Harmen, 23, is a white male, 5'5", 150 pounds, brown hair and blue eyes. Harmen is from Michigan City, Indiana, and is serving time for armed robbery.

Jankowski, 24, is a white male, 5'9", 150 pounds, brown hair and grey eyes. Jankowski is from Toledo, Ohio, and is serving time for armed robbery.

Anyone seeing these men should call the Michigan State Police or the Crawford Co. Sheriff Dept.

## Johnston To Run As Sticker Candidate

Earl "Ted" Johnston, of Grayling, announced this week he will be a sticker candidate or write-in candidate for county commissioner. He is seeking the District 4 county commissioner seat covering most of the west part of the county.

Johnston will be running against incumbent Commissioner Larry Mattis in the November election.

## "Star-Spangled Girl"

### Playing Sunday at Holiday Inn

The Neil Simon play "Star-Spangled Girl" will be performed Sunday, Oct. 24, 7 p.m. at the Grayling Holiday Inn by the Woodland Touring Theatre Company.

The performance is sponsored by the Business and Professional Women of Grayling with all proceeds going toward their Christmas project. Last year the group provided Christmas dinners and presents for about 100 children and families.

The fast moving comedy centers around two young men attempting to publish a protest magazine and an All-American girl who moves in next door and sends both of them into a romantic tangle.

The Woodland Touring Theatre Company was established by three northern Michigan residents to bring quality entertainment to the north.

Tickets are \$5 and are available at the Grayling Chamber of Commerce and the Holiday Inn. Doors will open at 6:30 p.m. with showtime at 7 p.m.

## Speaker for Chamber Banquet October 21st

The featured speaker for the annual Grayling Regional Chamber of Commerce banquet will be Dr. William P. Shulhof, technical director at the Central Foundry Division of General Motors.

In 1975, Shulhof received an Award of Scientific Merit from the American Foundrymen's Foundation for noteworthy technological contributions to the society and industry.

Shulhof's topic for the chamber banquet will be "Meeting Change". The dinner will be held at the Grayling Holiday Inn on Thursday, Oct. 21. The "attitude adjustment hour" will begin at 6:30 p.m. with dinner at 7 p.m.

Tickets for the affair will be \$10 per person.

## ABWA Fashion Show Oct. 28

The Annual Fall Fashion Show sponsored by the Grayling Chapter of The American Business Women will be held October 28th at Scheys Country House.

The Fashion Show is the ABWA's big event of the year to raise money for local scholarships.

Because of ABWA Scholarships given by her local organization this year Cory Meech Dean received an outright grant from the national organization.

The Fashion Show will start at 7:30 p.m. and tickets are \$4.00.

10% Off Till Nov. 1!

## Ski Memberships for Both X-C and Downhill Available From Hanson Park

As recreational offerings at Hanson Park, so does the opportunity for residents of the local and surrounding area to take advantage of money saving memberships to the park for the rapidly approaching ski season. Right now, memberships are available from Hanson Park at 10% below prices established last season. This offer is good however, only until November 1, 1982. Memberships are available for students, adults and families. Covered in the price of the memberships are all tow and trail fees. Ski rental and lockers are extra.

Because of the expanding interest in cross-country skiing, and because Hanson Park is greatly enhancing its cross-country ski operation, Cross-Country Only memberships are available at the park for the coming season. The full ski memberships cover both downhill and cross-country.

For more information, or to order your season membership, call Hanson Park at 348-9266, or stop by the park offices any weekday between the hours of 9:00 a.m. and 5:00 p.m.

## Range Firing Conducted

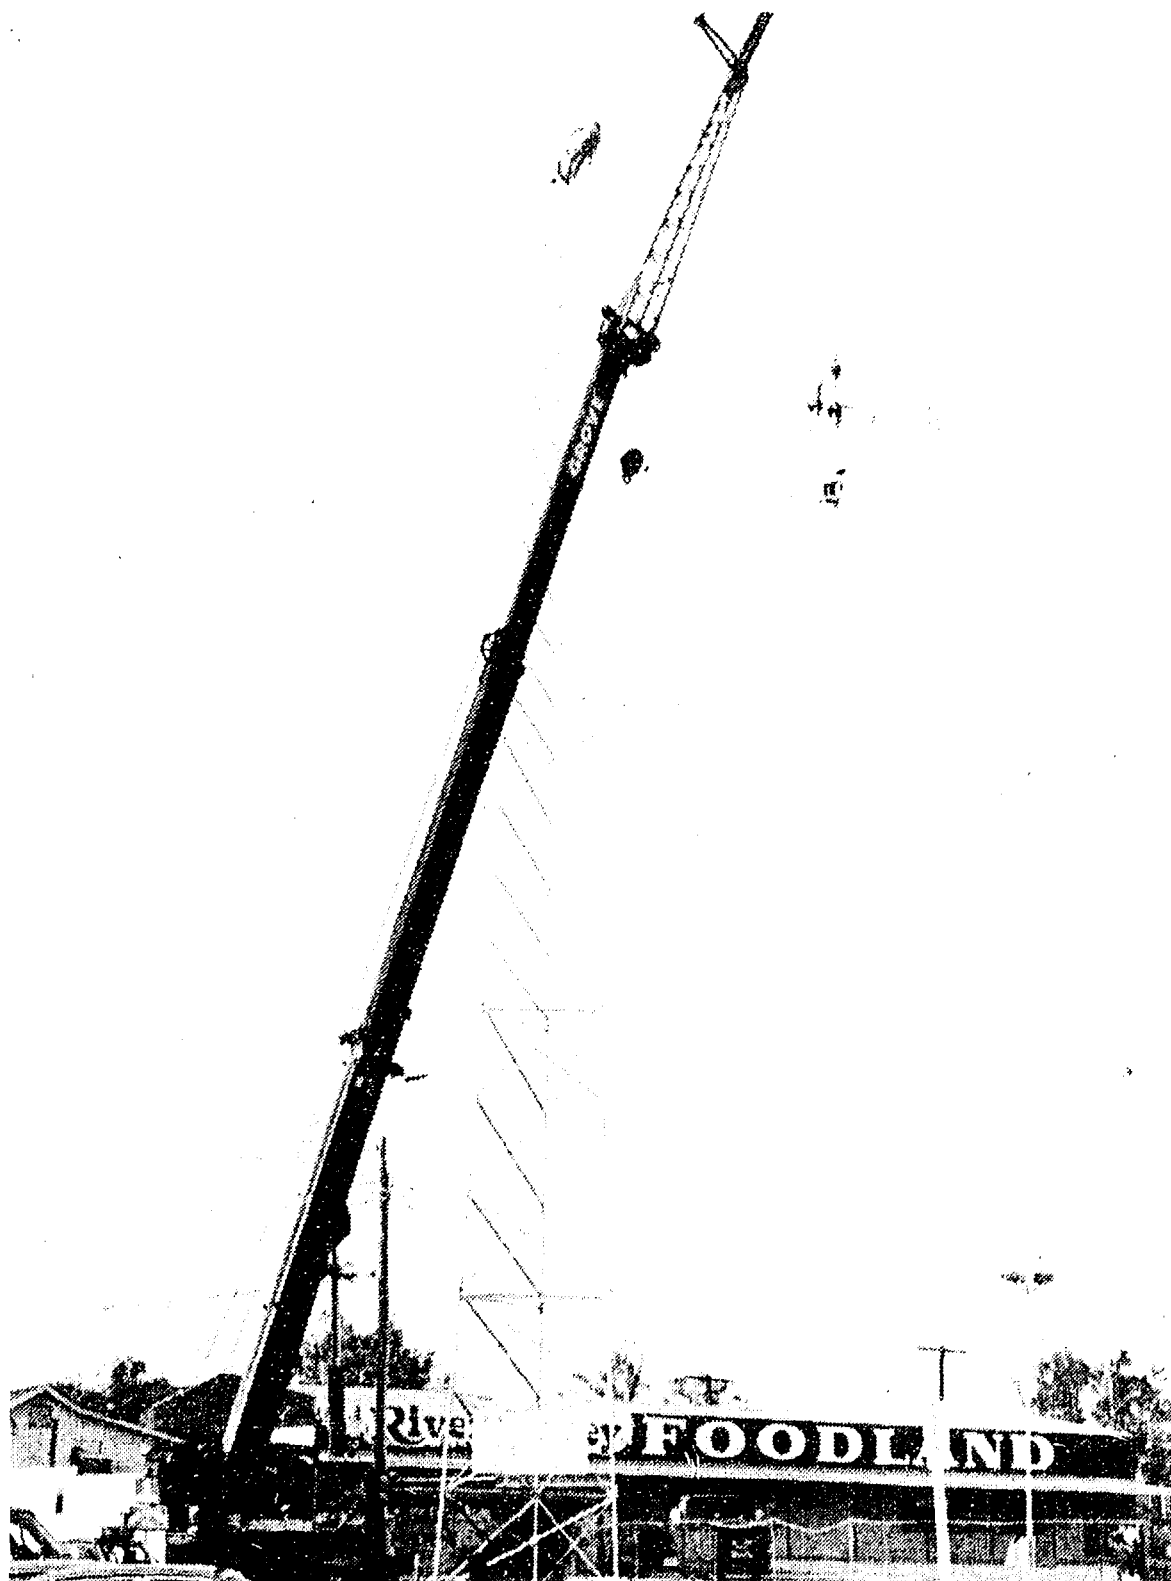

Range firing will be conducted at Camp Grayling during the period 19-24 and 26 Oct 82.

Firing will be performed in the following range areas:

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. (23-24 Oct Only)

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed to the public during the period 19-24 and 26 Oct 82 and all persons are warned to stay out of the areas identified.

**EASY DOES IT**—"Easy does it" was the catch phrase for handling the last piece of the 120-foot windmill installed for Chief Shoppenagon's Hotel. Workmen from Energy Resource Products not only had to take care with the expensive propeller top piece, but they also had to take care of their footing while working 110 feet straight up. Once installed, the new windmill blades appeared to be spinning as fast as airplane propellers last week during high winds. (See page 12 for more pictures)

## Schools Launch Advanced Studies Program for Gifted

by Jon Thompson

Crawford AuSable School District continued stepping up the ladder of quality by starting an advanced studies program for academically gifted students.

Identification of students for the program is underway. More than 250 students will go through final screening before Thanksgiving. School officials estimate about one-third of these students will go to participate in the program when it begins next fall.

The program next fall will probably involve one class hour a day set aside for advanced students. The advanced classes will be held in each school building and the rest of the school day the gifted students will be in regular classes. Superintendent Kent Reynolds said the advanced studies program may also include after school activities or trips.

Curriculum for the advanced studies program in each school building will be designed by school administrators, teachers, & parents after considering the group of students enrolled.

Work on the advanced studies program began in 1981 but plans were halted last year by cutbacks.

Selection of the students for the program incorporates California Achievement Tests, intelligence tests, and a subjective characteristic rating of superior students filled out by the student, parents, and three teachers picked by the student.

In the advanced studies, individual learning styles will be respected and the students will be guided in producing knowledge rather than just absorbing facts. The advanced courses will also develop creativity and teach decision-making, problem-solving, and risk-taking.

## County Budget Hearing Set for Monday Night

by Jon Thompson

The 1983 proposed county budget - totaling more than \$2 million - will be discussed at a public hearing Monday at 7:30 p.m. in the courthouse basement.

The proposed '83 budget of \$2,182,564 is an increase of about \$124,000 over the '82 budget. Higher state equalized values (S.E.V.) on county residents' property

and new industrial property on tax rolls accounts for most of the estimated \$124,000 increase in revenues.

Budget proposals for each county department will be available for review this week and at the public hearing. Citizens will have a chance to comment on any budget line items. Included

in '83 budget proposal is a total of 1982 expenditures for each department, department budget requests for '83, and county commissioners' '83 proposed budget appropriations.

The \$124,000 increase in revenues is spread around the nearly 30 county departments to offset inflation costs in the '83 proposed budget.

## Grayling Man Wins \$100,000

by Jon Thompson

"What a wedding present!" Mike Hultgren exclaimed after winning the \$100,000 bonus on the Michigan State Lottery game Top Ten.

Hultgren, 37, is marrying Jackie Helsel, of Grayling, on Nov. 6 - about the time he'll receive a payment of \$80,000 from Lansing. Taxes cut into most of the other \$20,000 and the Ole Dam Party Store, of Grayling, receives a \$500 bonus for selling the winning ticket.

Hultgren bought the ticket Saturday afternoon at the Ole Dam party store and rubbed it at his mother's (Mrs. Jim Harris) house in Sherwood Forest.

"I couldn't believe it," Hultgren said when he discovered the big

winner. "I just don't want to wake up and find out it's all a dream."

Paying off a house he's building in Maple Forest will be one of the first things he does with his winnings. He also plans to use some of the money for their honeymoon.

Hultgren, who's been buying lottery tickets for about two and a half years, says he's going to keep his bartending job at Spike's in Grayling.

"I took Saturday night off after I found out I won \$100,000, but I told them I wanted to stay on," he said.

His job at Spike's helped give Hultgren the winning combination.

"Every time I work I take three dollars out of my tips to buy lottery tickets. I bought about 60-70 of the Top Ten tickets before the winner."

## Roles Cast for GHS Comedy Production "Heaven Can Wait"

"Heaven Can Wait," the delightful comedy hit about a prizefighter snatched up to Heaven 60 years before he's due, and then sent back to Earth in another body, comes to Grayling High School's Joseph Stripe Auditorium on Friday and Saturday, November 19 and 20.

Presented by the G.H.S. Players and partially funded by the Crawford County Arts Council, "Heaven Can Wait" will feature the following students: Senior George Morse plays Joe Pendleton, the young boxer; and junior Paul Gust appears as Mr. Jordan, boss of the heavenly messenger service.

Kevin Reynolds, 9th

grade, plays Messenger 7013; Shelly Leah, 11th grade, is Julia Farnsworth; and Damon Thayer, 10th grade, portrays Tony Abbott. Sophomore Kim Stockton will be seen in the role of Bette Logan; and junior Troy Haag will play Max Levene, Joe's manager.

In supporting roles are: Anne Waggoner, 12th grade, as the Nurse; Laura Grudzien, 9th grade, as Mrs. Ames; Brenda Praise, 10th grade, as Susie; and Kathy Allen, 9th grade, as Ann.

Also appearing are: Brian Crosby, 10th grade; Patty Hahn, 11th grade; Beth Bedard, 9th grade; Jeff Martinez, 9th grade; Bobby

Ryan, 12th grade; and Darrel Sauter, 10th grade. Senior Todd Riley will play Lefty.

Rounding out the cast are: Jamie Black, 11th grade; Rika Ikari, 12th grade; Barb Kamph, 10th grade; Ikuyo Inoue, 12th grade; Diane VanAntwerp, 12th grade; and Rene Trudgeon, 11th grade.

"Heaven Can Wait" is directed by Nancy Lemmen, of the G.H.S. Spanish Dept. Junior Denise Harrington is Student Director.

Mark your calendar today for November 19 and 20. Curtain time is 8:00 p.m. in the Joseph Stripe Auditorium. Ticket price is \$2.50.

## Girls Tie GHS Record

Only one-third into the season, the Vikings girl basketball team has tied the team's all-time mark for league victories.

Grayling earned its third Michigan Huron Shores Conference win last Tuesday defeating Charlevoix 51-45 equalling the most league wins ever in a season for the GHS team since they began playing girls basketball eight years ago.

Coach Tom Mill's squad is looking to beat that mark this week in two tough home games against Petoskey and Rogers City.

Mills said the girls played good defense in their win over Charlevoix. Heidi Bendig scored 18 points to pace the Vikings. Kris Laudenslager and Celina Eshenroder both scored 11 in the balanced attack. Karyn Reynolds added 7, Jenny Riker 2, and Joyce Stevens had 2.

The Vikings were outplayed and beaten 50-29 in St. Ignace last Thursday to drop their league record to 3-3. Forty-two turnovers and poor shooting kept the Vikings out of the game. They trailed 33-12 at half. At the end of the night the Vikings were 12 of 60 from the floor.

Laudenslager scored 8 for Grayling, Bendig 5, Shelly Trenary 4, Lisa LaMotte 2, Wendy Savallisch 2, Joan Stevens 2, Stacey Wolcott 2, Riker 2, and Eshenroder 2.

The third mandated responsibility of American Red Cross by the Congress of the U.S. was to mitigate the sufferings of human beings who were the victims of disaster, and to take action to prevent such suffering.

The first World War brought an awful realization to the Medical World for the vital need to draw blood. See Red Cross on Page 2

(Continued from Page 1)  
The room must be arranged in an efficient and "proscribed" pattern to assure smooth Donor flow from registration to blood pressure and temperature taking, to history taking, to blood testing, etc., before the Donor is approved to give blood.  
An hour before the Blood Bank opens the Nurses arrive from Flint and or Petoskey to set up their equipment and be ready to function at the starting time.  
Local Volunteers arrive an hour before starting time too. They normally consist of 3 Registrars, 3 Bottle Table Workers, 3 Refreshment (or Canteen) workers to make the coffee and prepare the fruit juice; place the cookies on the table; serve the coffee and juice, and keep the tables clean of used cups, etc., in addition at least two Volunteer "walkers" are required to escort the approved Donors to the drawing tables and assist (walk) them back to the refreshment table after donating. Also three local RNs or LPNs come in a few minutes before starting time to take Donor temperatures, blood pressures, and part of their history.  
At the close of a bank, local Volunteers knock down the drawing tables and other equipment, and when the Nurses are finished repacking their equipment, carry the beds and boxes to the Bloodmobile and help the driver reload everything in its predetermined location in the truck.  
It is a little like reloading a circus truck to be ready for the next days performance.  
The last thing on the Bloodmobile are the "refrigerated blood boxes" with the days pints of collected blood, for as soon as the truck arrives back at the Center the blood is unloaded and is processed.  
If all the hours for the Nurses, the Driver and Volunteers are added together it takes about 3 hours of labor for each pint of blood drawn - about half of the labor is paid Red Cross Staff, the other half is unpaid Volunteers who really put in a full day once every 56 days to make Blood collection in Crawford County the good success it is - but don't ever forget, it is the dedicated generosity of the blood donors of Crawford County that makes this community's successful blood service program outstanding.  
To give a pint of ones own blood to help save the life of some unknown fellow human being is the ultimate act of generosity, and this county is blessed with more than the average supply of such great humanitarians!  
In the 12 month period ended June 30, 1982 416 individual Donors came 611 times to give a pint of their blood - that is an average of one and one half times per Donor per year - and because they did, every individual citizen of Crawford County is entitled to all the Red Cross Blood he or she needs without replacement, no matter where they may be in the U.S. when the blood is required!  
Each of you who reads this should recognize and appreciate the debt you owe the wonderful Blood Donors of this community!  
There are millions of people alive in this nation today who would not be if it were not for the wonderful Blood Donors and Red Cross Blood Service!  
Don't these facts justify your financial support of Red Cross? Would you want to face surgery tomorrow if life saving blood was not available to you as it is now?  
So, if you haven't already sent a contribution to American Red Cross, how about looking up that letter you probably received right after October 1st asking you to donate, and write a check for what you think is your fair share and put it in that self addressed envelope and mail it today?  
If you didn't get a letter or can't find the self addressed envelope, just write American Red Cross, RR 2, Box 2515, Grayling 49738 on an envelope and put your check in it and mail it today!  
If a dollar is all you can afford, send the dollar, it will make you a member of American Red Cross and you will become a Good Neighbor!

**Doodles From  
The Tall Timber**

Wendell L. Hoover  
Park Interpreter  
The hard-surfaced trail through the Tall Timber has been in place only since July 4th; yet I believe it is possible that more people have been seen using wheelchairs and baby strollers than in the many previous years. Over the Labor Day holiday I had the opportunity to talk briefly with a young lady (not over 20 years old) who was confined to a wheelchair. When asked how she liked the blacktopped trail, she replied it was great and that she was really looking forward to seeing the Chapel which she had never had access to before. This is a typical reaction from those whose legs will no longer answer to the demands of travel for which hearts and minds yearn.  
Those visitors whose years are reflected in silvery hair and slow pace are saying it is so much easier to walk because the surface is not uneven as it once was. The young mother or father with a sleeping youngster no longer has to wait in the car while the others take a walk if they have a stroller for the youngster.  
If I had any lingering doubts about that trail, they were dispelled by a young lady who was ecstatic about being able to see what she never had before and by a lady who has lived in this area for 40 years and never been to the Park because of the wheelchair which is very much a part of her life.

**AAUW Meeting  
Information**

The public is invited to come to Kirtland Community College this evening (Thurs.) for a tour of the Computer Center in the Administration Building at 7:00 p.m. Refreshments will be served following the tour, which should last about one and a half hours.  
The tour, sponsored by the Roscommon Area Branch of American Association of University Women, is only one of the interesting programs planned by the branch this year as part of its topic "Taking Hold of Technology", said Gayle Prause, Program Chairman.  
According to Prause, "Technology has made tremendous changes in all of our lives. Many of these changes are beneficial, but technology also raises problems of economics, ethics, and politics. Until we can take hold of technology with a better understanding of its various aspects, that technology can appear to control mankind rather than to be its servant."  
AAUW, open to all women with a baccalaureate degree from a regionally accredited college or university, invite you to explore this timely topic with us.  
Future programs will include: • technological advances in the oil industry, • biotechnology and genetic engineering and its moral decline, • study of the effect of television and electric games, etc. on education.  
For more information concerning either tonight's program or AAUW membership, call Carol Stouffer at 366-9283.

## From Our Corner ...

What a shocker to awake to on the 16th day of October...that white stuff was on the ground, and in our estimation just about two months too soon...someone told us it wasn't deep enough to measure...that is not the idea, once it comes it seems like it just keeps on building up...hopefully, it was just a reminder of what is yet to come, and we will have some beautiful fall weather before we crawl in to our igloo for the winter...

How about that...a resident of Crawford County got an A in the lottery and came out a big winner of a \$100,000 in the Top Ten Michigan Lottery...we're going to have Jon follow it up...we heard too many different stories...the article is on the front page...

We received a letter over the weekend that sort of perturbed us...it was against us...about how come we don't practice what we preach for our "Letters to the Editor" and turn around and write something in our column...we have thought about it quite a bit and sort of accepted it as a letter to the editor, but don't sign my name...this particular letter was addressed to me, with a copy to be sent to the third person...now, dang it all, we are open to criticism every week the Avalanche appears, and we appreciate any constructive criticism that may come about, and also will print almost anything someone wants to write to me...now this particular one has at the end says "not for Publication", we cannot understand why they took the trouble to write the letter in the first place...if the writer, and it is proof they read our corner would give us permission to print their letter, we would be glad to insert it in our column...otherwise we will sit on the letter and perhaps in the near future we will have some way to answer it, and not be slanderous or libelous...

Not only does the ol' fella have one critic that you just happened to read about...we have another one...this one seems to appear only in October...Randy Thompson approached us last week in a local pub and again told us we were all wet about saying last week that the Chief Shoppenagon's Hotel windmill was the first in northern Michigan...Randy said you should have noticed it a long time ago as much as you go to Traverse City, there has been one there for a long time...we believe it was just one year ago when we were lamenting on the fact that the country has a red letter day for Chris Columbus and not for Lief Erickson who really found America, Randy evidently had read the congressional records and reminded us that congress did give Erik a day on the calendar...

We are starting to get a little gun shy and have been thinking about discontinuing our corner...but then we are reassured by our mother-in-law, Leona, that she reads it now and then, and our daughter Toni reads it when she has time, I can't depend on our bride, because she is always asking me what is in the Avalanche this week...Dane tells me he reads it when it finally gets to Nevada...so you see it is a little disheartening sometimes to be a columnist...

We have always complained about the blue Mondays...they seem to be worse when the sun doesn't shine...but, this week we're taking it all back...to our pleasant surprise this past Monday about 11 o'clock John & Toni walked into the office, and we questioned how come they were over here and the kids are in school...what we did find out, they had breezed into town put the ol' fella's storm windows up and were heading back to T.C. so they could be home when Stefany arrived from school at 12:15...now to me that made a sunny Monday...

This takes care of this week's turkey...we are deluged by press releases from all the politicians that our file has run over...goodnight T.J., Stefany and Amber...and to all of our readers keep an open mind and vote your conviction on November 2nd...have a nice weekend...

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

### 23 Years Ago October 22, 1959

More than 3,500 persons watched Sunday at the Grayling McNamara Air Base as sports car race drivers participated in auto races here.

Sixty-two cars participated in the races sponsored by the North-eastern and Central Western Michigan chapter of the Sports Car Club of America. About 400 sports cars were on hand. Only club members were allowed to race. First place honors in the best of show race of the Concourse de Elegance competition was won Sunday by Ken Lackey, Gary, Ind. He was driving a Lancia-Nardi, the only one in the world.

Among the well-known sports car racers at the event were Bobby Dietrichs of Cleveland and his wife.

The cars hit speeds of up to 130 miles an hour. The longest stretch of the course covered one-third of a mile. Some corners were 130-degree turns.

Mr. and Mrs. Fred Bear entertained guests from Sweden, Mr. and Mrs. Carl Bergstrom and Eric Innerman, of Sandviken, Sweden, from Saturday until Tuesday. The Bears recently returned from the west, Mr. Bear flying down from a six-week Alaskan hunt to meet Mrs. Bear in Colorado Springs, Colorado, where they visited their son Capt. and Mrs. M.J. Steger and family, at the Air Force academy, for a few days before returning home.

Miss Dena Kay Bovee was 7 years old October 17th, and to celebrate the occasion she invited eleven little girl friends to her home for games, followed by birthday cake and ice cream. Each child received a favor. Dena was presented with many lovely gifts. Miss Billie Fay Bovee was 10 years old on Sept. 30th. The preceding Sunday evening she entertained several young ladies at a Sunday night supper of hamburgers and french fries, and also birthday cake and ice cream. Billie received many lovely gifts to mark the event.

A group of twelve ladies arrived at the home of Mrs. William McLeod last Thursday noon to surprise her with a potluck luncheon and gifts in celebration of her birthday. A birthday cake beautifully decorated in fall colors was a part of the tasty menu.

Mr. and Mrs. Bill Joseph and son Dickie spent Tuesday in Kawawlin, on business.

Burt McWilliams, Jerry and Jim McClain, and Cal Charron spent Tuesday and Wednesday hunting in the Pinconning area.

### 46 Years Ago October 22, 1936

Robert Coulter of Grand Rapids was a weekend guest of Miss Eva Swanson.

Ted Callahan and Charles Moshier were at Merrill for the opening of the pheasant season.

Miss Frances Zoulek and Harold Edwards spent the weekend visiting at Miss Zoulek's home at East Jordan.

Mr. and Mrs. Benjamin Jerome of Pontiac were in Grayling over the weekend closing their cottage at the lake.

Fred Hoesli of Petoskey spent a couple of days here this week hunting birds and visiting his parents, Mr. and

Mrs. Dan Hoesli.

Mrs. Emil Niederer, Mrs. George Olson, Miss Georgianna and Mrs. E.G. Clark drove to Traverse City Friday and spent the day.

Miss Zonela Wells of Mercy College of Nursing, Detroit, visited over the weekend at the home of her parents, Mr. and Mrs. T.J. Wells.

Miss Eunice Schreiber returned Sunday to Mt. Pleasant, where she is taking a commercial course and is securing her life certificate at C.S.T.C.

Mr. and Mrs. Richard Lovely and daughter Jean have returned from a ten-day vacation with relatives and friends at Bay City, Flint and Detroit.

Mrs. Carl Hanson returned Sunday from a several days' visit with her sister, Miss Mildred Corwin, at Lansing, a guest at the home of Carl Smith.

Gene Papendick, T. SanCartier and Jack Papendick spent the weekend hunting at Wheeler, Mich., and visited at the home of Ed Papendick. The boys brought back a number of fine birds.

One item of special interest that was missed in last week's edition was a fishing trip to Northport when Bill Joseph showed up the other fellows in the group, including his dad, when he landed a 12 pound lake trout. This was one of the largest trout we have heard of being caught at this popular fishing place this season. Of course Bill was thrilled and justly feels himself quite the champion. Others in the party were C.J. McNamara, T.P. Peterson, Nels Corwin, Charles Moore and Morgan Paige.

### 69 Years Ago October 23, 1913

Alfred Hanson, who is working at Frederic, spent Sunday here visiting friends.

Michelson Lumber Co. at Michelson here received an order for 200 carloads of cedar posts to be shipped to Toledo, Ohio. This is one of the largest orders ever placed in this section of the state. It will take about two months to fill the order.

Chris Olsen returned from Denmark last week after spending about two months there. He was an employee of the Salling Hanson Co., scaling in the yards here before going to Denmark. After visiting a week with friends he left for Drummond Island where he is going to take a position as bookkeeper for Salling, Hanson Company.

Mrs. C.M. Hewitt and daughter Creva, accompanied by Miss Amelia Karpus, left on Saturday morning for Bay City to spend a few days.

The first snow of the season appeared late Tuesday afternoon when a few flakes of the "beautiful" appeared in the air.

Carl Johnson and Ernie Larson attended the football game at Ann Arbor Saturday, between the U. of M. and M.A.C.

The Burke Saloon at Frederic is much improved on the outside, being raised, a cement foundation and porches, with a two story addition.

At the home of Mr. and Mrs. Alonzo Heath, October 20th, Rev. V. J. Hufton solemnized the marriage between Mr. Walter A. Woods and Miss Inez Anderson.

## The Bible Speaks

From Calvary Baptist Church

### Israel Refused The Gospel

Romans 10:18-21

Since God has already shown us that everything in salvation comes from Him and His Word, then how do we explain Israel's failure to respond? Did all Israel really hear the Word of God and have a chance to respond? "But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world. Every Jew had heard the message of God's grace through Jesus Christ. Every Jew had a personal responsibility to hear, believe and call upon Jesus Christ for salvation.

There is a difference between hearing and knowing, so the next verse deals with Israel's knowledge of God's message of salvation. "But I say, Did not Israel know? First Moses saith, I will provoke you to jealousy by them that are no people, and by a foolish nation I will anger you." Verse 19. God foretold His people that He would turn His grace toward the gentiles, even during the time of Moses. To abandon individual responsibility because of God's election is very foolish and dangerous. "...Let such as love thy salvation say continually, Let God be magnified." Psalm 70:4b.

God will not share His glory with any creature. God is sovereign in all matters of salvation. The Jews thought they could claim salvation by God's election and assume no personal responsibility. Parents and churches which practice infant baptism make the same assumption as Israel. God will be magnified in salvation even if He must save heathen who know nothing about Him. "But Esaias is very bold, and saith, I was found of them that sought me not; I was made manifest unto them that asked not after me." Verse 20. God will elect to save those who will love His salvation and magnify His name and word.

God set aside His people Israel for almost 2,000 years because they refused to hear and obey God's Word. "But to Israel he saith, All day long I have stretched forth my hands unto a disobedient and gainsaying people." Verse 21. Gainsaying means contradicting or opposing something and here speaks of Israel contradicting and opposing God's Word.

There are scores of people in the Grayling community who call themselves Christians who have never assumed any personal responsibility for their salvation. They believe because their parents and church agreed to baptize them as an infant, they are now born-again Christians in a certain church. If you have never realized you are a sinner before God and believed Jesus Christ died, was buried, and arose to give you forgiveness of sins and eternal life, and if you have never called upon Jesus Christ in prayer to confirm this belief, then you are just as lost and deceived as the Jews of Israel. ## Olender-Henning Exchange Vows

Tracy A. Olender and Dennis J. Henning were united in marriage on Sunday, September 5, 1982 at Camp Grayling Chapel. The Reverend Derick Roy officiated at the three o'clock ceremony.

Music for the ceremony was provided by Darlene Roper, sister-in-law of the bride, Rob Westerman and Blanche Miller.

Attending the couple were Mary C. Blaauw and Tony Henning, the groom's nephew.

The bride is the daughter of Marjorie Roper and a graduate of Grayling High School. She is employed at Mercy Hospital.

The groom is a graduate of Grafton High School, Wisconsin, and Kirtland Community College. He is a member of the Michigan National Guard and is employed by General Telephone Company. Dennis is the son of Marshall and Mary Cariveau.

A reception at the Officers' Club at Camp Grayling immediately followed the ceremony.

The couple returned home to Grayling after a honeymoon in the Upper Peninsula.

## 5 Crawford Co. Avalanche Hospital News

The following were among those admitted to Mercy Hospital during the past week: Cindy Dedafae, and Denise Smock, all of Grayling; Lauvondia Wilson of Frederic; Gloria Walker and Jessie Shirey both of Roscommon.

Those discharged: Kimberly Harland, Cindy Dedafae, Doris Palmer, Lyle Billsby, and Leonard Aytes all of Grayling; Gloria Walker of Roscommon.

# Saints, Weather Nip Vikes 28-12

With rain, snow, high winds, and cold temperatures running interference, the St. Ignace Saints swept through the Vikings Friday 28-12 sending them on their 95-mile return trip with their sixth loss of the year.

The game started off as bad as the weather for the Vikings when they fumbled a snap on a punt on their first series. St. Ignace recovered

on Grayling's 20 and went into score for a 6-0 lead.

Grayling got warmed up next marching 65 yards against the Saints and bitter cold to score on a one-yard quarterback sneak by Jim Stewart. Grayling's offensive line took control on the long march pounding holes for Jim Hill and Jeff Kea. Hill ran for 32 yards on the drive and Kea fought his way for 22 yards.

Grayling scored on the two-point conversion attempt but it was called back on a 15-yard holding penalty. The second try failed and the score was tied at 6-6.

St. Ignace cranked up their offense next breaking off large chunks of yardage running the ball. The Saints scored two quick touchdowns in the second quarter and added one in the fourth

before Grayling could score again.

The Vikings put together a 70-yard drive using a 28-yard pass to Mike Hickey from Stewart and a 16-yard pass to Bob Keene. Hickey scored on a two-yard pass.

Greg Helsel again led the defense with 19 tackles. Hickey stopped 16 ball carriers and had one interception. Bob Keene nailed the opposing quarterback twice for sacks and head coach Bill Klinger said Dave Martella, Jeff Kea, Jim Hill, Barsie Cross, and Kevin Wakeley played well on defense.

The Grayling J.V.'s improved their record to 4-2 on the year with a 28-7 win over St. Ignace last Thursday. The J.V. squad travels to Boyne City this Thursday. The varsity on Boyne City, 0-6, at home Friday.

**STAR-SPANGLED GIRL**—Judy Craft and JoAnne Cox hold tickets still available for the Neil Simon play "The Star-Spangled Girl" to be performed Sunday, Oct. 24, at the Grayling Holiday Inn by the Woodland Touring Theatre Company. The performance is sponsored by the Business and Professional Women of Grayling with all proceeds going toward their Christmas project to supply Christmas toys and dinners to needy families in our county.

## Estate Planning Seminar at KCC

The Kirtland Community College Foundation, in cooperation with the Roscommon State Bank (affiliate of NBD Bankcorp, Inc.), will be sponsoring an Estate Planning Seminar on Wednesday, October 27, 1982 at 7:30 p.m. in the Kirtland Auditorium.

Speaker for the evening will be Mr. Dick Stringer, NBD Trust Officer. His topics will include wills, trusts, taxable and non-taxable estates, and gifts. Mr. Gerald McReynolds, Vice President of Marketing and Public Relations of the Roscommon State Bank will introduce Mr. Stringer.

Tickets for the Estate Planning Seminar are free, but limited to 400 - "first come, first served." Tickets are available at all Roscommon State Bank offices, radio stations WQON-FM Grayling, and WBMB/WB-MI-FM West Branch, and Kirtland Community College.

"Many persons are unaware of the options which are available in setting up an estate. This program should be informative for young people, as well as older adults, who wish to learn more about how best to plan for the distribution of their estate," says Mary Aigueire, Executive Director of the K.C.C. Foundation.

All interested persons are urged to attend.

## County Road Crews Cutback Threatens Snow Removal

A thirty-five percent cut in county road crews since 1977 threatens critical reductions in snow and ice removal this winter on 88,712 miles of Michigan's county roads.

"Layoffs and personnel cutbacks forced by lack of adequate road funds will leave county road commissions extremely short-handed to keep highways open to travel when winter snowstorms arrive," according to Earl F. Rogers, engineer-director of the County Road Association of Michigan.

"Motorists will face more snowbound days than normal this winter because understaffed road commissions also will be using aging, worn equipment to fight those oncoming blizzards," Rogers warns.

A new survey by the County Road Association shows road commissions have cut personnel from 7,965 workers in 1977 to only 5,665 in 1981 and 5,186 in 1982.

"Staff cuts, enforced short work weeks, and limits on overtime ordered by many county road commissions due to inadequate funds mean they will be ill-prepared to cope with major snowstorms," Rogers says.

"This means delays in snowplowing and ice removal which can hamper winter travel for thousands

of Michigan drivers. Weekend blizzards could be crippling.

Dwindling gas tax and license plate fee revenues are forcing deeper personnel cuts for many road commissions responsible for administering the 88,712 miles on the county road system.

"Unless solved soon by legislative action, the funding crisis will render many local road commissions almost powerless to operate normal winter road maintenance schedules."

Rogers also noted that the survey showed road commissions have cut drastically back on equipment purchases. Normally, counties should spend about \$28,000,000 annually to keep fleets adequate, but lack of funds has dropped equipment purchases to \$21,000,000 in 1980 and just \$11,000,000 in 1981.

"Equipment breakdowns will be more numerous this year as trucks and plows wear out, creating added problems to keep roads open through winter storms," Rogers observed.

"Every road commission in Michigan faces the 1982-83 winter season with great apprehension over keeping roads open and driving reasonably safe," Rogers declared. "The most severely affected will be people living on secondary roads - many of which are in suburban subdivisions - who may suffer through long delays in getting out if severe snowstorms hit."

## Notice by Persons Claiming Title Under Tax Deed

To the owner or owners of any and all interest in, or liens upon the lands herein described:

TAKE NOTICE, that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within 6 months after return of service of this notice, upon payment to the undersigned or to Register in Chancery of the County in which the lands lie, of all sums paid upon such purchase, together with 50 per centum additional thereto, and the fees of the Sheriff for the service of cost of publication of this notice, to be computed as upon personal service of a declaration as commencement of suit, and the further sum of five dollars for each description without other additional cost or charges.

PROVIDED, that with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with 10 per centum additional hereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

DESCRIPTION OF LAND: Lot 158, Twin Peaks No. 1, Frederic Township, according to plat thereof, Crawford County, Michigan.

Amount paid in 1977 tax sale - \$43.16, amount necessary to redeem - \$64.72, plus the fees of the Sheriff. Payable to Salling Hanson Company Trustees, P.O. Box 470, Grayling, Michigan 49738.

Dated: October 14, 1982.

## Editor's Mailbox

To the voters of District 5 I am taking this opportunity, through the generosity of the Avalanche, to bid for your support and sticker vote on Nov. 2nd. Voting for me as a sticker or write-in candidate does take some extra effort in placing my name, and office I seek, on the inside of the folded envelope, and not on the ballot proper. I bring this matter to your attention, because it can be confusing, but really it's very simple. Just place the available sticker, or write in my name in the designated area, and then go about the rest of the ballot with the puncher. You have already voted for County Commissioner in District 5.

Should you receive election material that is critical of me or the other commissioners, I would appreciate an opportunity to clarify my position on the issues. Just prior to the primary election, there was erroneous and misleading information distributed throughout the district, without giving me an opportunity to adequately respond to the allegations.

The responsibility of County representation on government regional organizations is determined by the Chairperson and divided among all 7 Commissioners. My public relations background qualifies me to be chosen to represent Crawford County on 7 regional organizations that require meetings in other communities, and travel time and expense to be there. Some of the Regional organizations that are beneficial to Crawford County by means of active membership are:

1. NEMCOG - Northeast Mich. Council of Governments, Board of Directors (Nowak, Mattis, and Kit-chen)
2. NEMSCA - Northeast Mich. Community Service, Board of Directors (Nowak)
3. Manpower Consortium - CETA Programs, (Nowak-Vice Chairman, and Matt Bidvia)
4. District Health Dept. No. 1 - (Nowak and Neilson, Board of Directors)
5. Substance Abuse - (Nowak - Board of Directors)
6. E.M.T.A. - East Mich. Tourist Assoc. (Nowak - Board of Directors)
7. H.S.A. - Health Systems Agency - (Nowak, Board of Directors)

These are the ones that I serve on with other members of the Commission. Most of the Regional Organizations concern themselves with the county of the Northern Counties, as well

as other Development and Assistance programs.

If re-elected, I pledge continued consideration for the taxpayer, and the wise spending of the tax dollar. Your support, and your vote will insure sound fiscal responsibility. I'll do my very best for you, the taxpayer.

Thank you, Walt Nowak

## Completes A.F. Training

Airman Eric J. Meyer, son of Raoul J. and Constance M. Meyer of Roscommon, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircraft maintenance field.

He is a 1982 graduate of Roscommon High School.

## Salary Hikes For State Officers Hinge on Economy

Warren M. Hoyt, Executive Director, MPA

Members of the State Officers Compensation Commission recently began the process to determine salary and expense levels for the state's top elected officers but indicated early on that salary levels are not likely to be increased much in the next two years because of the dim outlook on the national and state economy.

While the members said their remarks are only preliminary assessments, their expectations of that will be done to salaries range from a freeze to increases of no more than 5 percent a year.

The only formal action taken during the first public hearing, which will culminate in a final determination by mid-December, was to set future hearing dates and determine hearing from some top economists would be beneficial in making a decision.

The commission, created by constitutional amendment, is to determine salaries and expense levels for 1983 and 1984 for the governor, lieutenant governor, Supreme Court justices and members of the Legislature.

In terms of direct salary, Michigan legislators are tops in the nation, while justices, lieutenant governor and governor rank 5th, 6th and 7th, respectively.

Lansing businessman and former Michigan State University president Edgar Harden, who was elected chairman of the commission, said any increase in those pay levels "look pretty dim right now, because of the economic situation. Recovery is not just around the corner."

He added it does not bother him that salaries are high compared to other states "as long as we're getting our dollar value," but added a freeze is a good possibility.

Former Senator Charles Zollar of Benton Harbor said, "The crux of what we determine depends on how confident we are of the future of our economy." He said he sees the possi-

bility of small increases over the next two years.

Former Representative Russell Hellman of Dollar Bay, who was quoted earlier as saying legislators' salaries ought to be doubled, also pinned the decision to the economy and suggested a 4-5 percent increase might be approved.

"It's not reasonable, but it's probably as much as we can afford," Hellman said.

The commission informally adopted 13 criteria for setting the wage and expense scales, including the nature of the job, incentives for improving performance, ability to attract and retain quality people, comparison to other states including comparison with positions in the private sector, comparison with other officials in the state, public sentiment, the cost of living and national wage guidelines.

Department of Civil Service staff, which serves as staff for the commission, surveyed eight large industrial states and found salaries paid to Michigan's officials were in all instances higher than the average of those states.

The \$70,000 paid to the governor is 12.8 percent higher; the \$50,000 paid to the lieutenant governor is 13.2 percent higher; the \$69,000 paid to justices is 9.7 percent higher and the \$31,000 paid to legislators is 25.3 percent higher.

Besides salaries, current expense allowances are \$20,000 for the governor, \$7,000 for the lieutenant governor, \$5,000 for the chief justices, and \$6,200 for legislators.

Legislators also get mileage allowances for one round trip per week to the Capitol while the Legislature is in session.

The commission in 1980 froze salaries for 1981 and granted an increase of 7-15 percent for 1982.

The determinations of the commission are final unless specifically overturned by a two-thirds majority of the Legislature.

## Harvest of Harmony Promised Public by Barbershoppers

**SATURDAY NIGHT FEATURE**—A guest quartet for the "Harvest of Harmony" Barbershop show Saturday night, Oct. 23, at Grayling will be Saturday Night Feature, barbershop quartet champions of the Michigan/Ontario Pioneer District. In the photo are: John Wearing, tenor; Don Humpries, baritone; Bruce LaMarte, lead; and Jack Slamka, bass.

Excited about their new smooth sound, Barbershoppers of this Central Northern part of Lower Michigan can hardly wait to try their technique on a live audience.

But they won't have a long wait because they will stage their "Harvest of Harmony" soon (Saturday evening, Oct. 23) from the stage of Grayling High School auditorium. Curtain time will be 8 o'clock. A full house is expected and tickets will be available for a nominal price at the door.

Adding interest and expectation to the brightness and uplift of the program will be music of two of Michigan's most sought after quartets, the Saturday Night Feature and the Harmony Hounds.

Chorus Director John Noteware, of Grayling, has been leading the 20-member chapter chorus in perfection of a new smooth lyric and intonation technique that promises to infuse new polish to the sweet and sentimental ballads of yesterday.

The master of ceremonies will be Rod Ames, a vocalist and gospel musician in his own right and former AuSable chapter musical director.

A new and highly successful stage quartet from the Detroit-Grosse Pointe-Windsor area, the Saturday Night

Feature in the three short years of its existence achieved the current championship of the Pioneer District (Michigan and Ontario) and gained ranking among the top 25 quartets in the United States.

Contrasting with Saturday Night Feature's swift rise to prominence in barbershop circles, the Harmony Hounds have been around for quite a few years. With Battle Creek as their home base, there have been 10 different combinations of voices and 12 men since the quartet began entertaining and amusing audiences in 1959. Various members who have shouldered that name have followed their way to District and International competitions, to a USO tour of the Far East, a tour of England and Europe and Entertainment of audiences across the United States. Their style ranges from sweet to loud, from the ridiculous to the sublime. They are especially known for their whimsy.

## Bag Lunches

by Gail Edwards  
Ext. Home Eco.

If a sandwich is the center of attraction in your lunch pack, it may need a shot of imagination every now and then.

First, the bread - there is no end to the various breads you can use to add flavor and zest. From white breads, pita breads and whole wheat you can expand to other breads - sourdough, dill seed, herb, rye, yogurt, buttermilk, oatmeal, cheese, bacon and peanut butter bread, tortillas, dried fruit breads, etc. Visit your library and look through the cookbooks for recipe ideas.

Breads vary in calorie content, but most provide fewer than 70 calories per slice. Whole grain and enriched breads are good sources of B vitamins, iron and protein. Whole grain products also contribute magnesium, folacin and fiber.

Next, the filling - There are always the tried-and-true peanut butter, cheese or cold cuts sandwiches. For something different try a new filling: chopped ham with carrots; cream cheese and crushed pineapple; egg salad and cucumber slices; cottage cheese, chopped green pepper and walnuts; peanut butter, carrots and raisins; or egg salad, cheddar cheese, onion and lettuce.

For a well-stuffed, low calorie sandwich, pile on the tomatoes, onion, sprouts, mushrooms, green peppers, spinach, lettuce, carrots, zucchini and cucumbers. Add cheeses, sliced egg, seeds and nuts for added protein. Flavor sparingly with your favorite salad dressing.

Storage - Wrap sandwiches tightly to keep them from drying out. Some sandwiches can be frozen ahead of time and dropped into the lunch bag frozen. They stay cool and will be thawed by lunchtime. Mayonnaise and vegetables do not freeze well and should be added to the sandwich at eating time.

## Historical Society Volunteer Dinner Held

The Historical Society of Michigan is the only state wide non-governmental organization working to preserve Michigan's heritage. The Crawford County Historical Society is proud to be a part of more than six thousand individuals and organizations helping in this preservation.

The registration book for the past summer shows there were over fifteen hundred people who registered as visitors in the Crawford County Historical Museum.

Usually there are some visitors who fail to register. Each year the Crawford County Historical Society always tries to reward the volunteers by taking them out to dinner. On the evening of Oct. 6th the following people gathered at the Holiday Inn for dinner and a short business meeting.

Louise Feldhauser, Greta Lewis, Dave Lewis, Helen Feldhauser, Marie Akers, LeRoy Akers, Jeannette Kitchen, Mary E. Harland, Eva Harland, Mildred Blaine, Helen Daniels, Ingeborg Raae, Hugh Connolly, Pearl Connolly, Helen Peterson, Gladys Tufts, Bill Tufts, Sherry Haag, Debbie Branch, Robert Branch, Joseph Kesseler, Francis Olsen, Helen Leykauf, John Leykauf, Eva McDonough, Lillian King, Thelma Hunter, Edie Adams, Wilma Sunday, Donna Davis, Ingeborg Leslie, Ethel Giss, Mary Lowery, Vivian Kaufman, Elizabeth K. Monahan, Gerry Yates, Bonnie Yates, Elmer L. Fenton.

Sherry Haag, the R.S.V.P. Director introduced the volunteers, other members were introduced by Elmer L. Fenton including Mrs. Greta Lewis, who will be the future director of the Crawford County Historical Museum.

These are the people acting on a volunteer basis who have spent many hours working to maintain and keep Your Crawford County Historical Museum open for the residents of Crawford County and others.

We are proud of our Crawford County Historical Museum and really appreciate all the volunteer help, memberships, publicity, pictures and artifacts that help to make your museum grow.

I might state at this time if you didn't visit the museum this past summer be sure to do it next summer. We are really proud of the Multiplex Display Fixture given to your historical museum in memory of Mr. Herbert Stephan by his family and friends.

A short report about the history of Your Crawford County Historical Museum was given by Elmer L. Fenton.

Elmer L. Fenton  
A plaque from the Crawford County Historical Society Advisory Board and a Certificate of Appreciation from the Crawford County Board of Commissioners were given to Mr. Fenton.

It has been a personal pleasure working at the museum during the past years. I sincerely hope that I can contribute a little in the future. May God Bless all of you wonderful people.

## Wins 76 Ribbons In Horse Shows

When one considers expert horsemen, visions of cowboy stars or Royalty come to mind. That vision has to be modified somewhat when you meet Jody Harwood, a petite 14 year old from Grayling. This remarkable young lady and her two horses, Kamanchee and Flame, have won a total of 76 ribbons this year, including 46 first place awards in horse shows around the state of Michigan.

Riding primarily in 4-H sponsored events, Jody and her horses compete in such events as Pole Bending, Cloverleaf, Flag Racing, Keyhole and Speed & Action. All of these events demand a great deal of riding skill and good communication with her mount.

Flame is the senior of the two horses, by a year. He is a 9 year old Arabian gelding, who has been Jody's mount in the Junior Class events.

Kamanchee is an 8 year old Welch gelding and will be retiring this year, because he has been Jody's mount in pony class, and she will be too old to compete in that division after this year. Jody has been riding Kamanchee

since she was 7 years old. Jody competes all over the area, including such cities as West Branch, Roscommon, Rose City, Petoskey, Standish and Gaylord. She took the grand prize on Flame at the Gaylord Expo, Sept. 11 and 12, 1982. Jody was the only competitor from Crawford County. It was the 17th high point trophy she has received this year.

When asked about her future plans, Jody said for the time being, she wants to continue competing in horse shows and working with the animals. She said that part of the reason she has met with a significant amount of success is the long hours of training with the animals, along with providing them with proper nutrition and a generous amount of love.

## Bits O'Talk

by Fay Bovee

Mrs. Joseph Kasper spent the week visiting her son and family, Mr. and Mrs. John Kasper in Davison.

Kathryn Ruth Graham, 7 lbs., 10 ozs. was born on Sweetest Day, October 16, 1982 to Cindi and Robert Graham of Petoskey. Her grandparents are Art & Merle Carlson of Grayling and Bruce & Ruth Graham of Traverse City.

Vivan Campbell successfully bagged a large doe on October 12th near his son's home in Alpena.

Robert and Karen Doherty are the proud parents of a baby girl, Amy Sue, born September 1, 1982, weighing 8 lbs. 12 1/2 ozs.

The Bill Scheers have moved from their Old Lake Road home to the Harbor Beach area.

Mrs. Iva Tiller spent five weeks in Munson Medical Center because of a broken hip. Her daughter and husband, Russ and Roberta Wright have brought her back to Grayling where she is in extended care at Mercy Hospital.

## Editor's Mailbox

October 15, 1982

To: Mr. Whitey Madsen, Editor, Crawford Co. Avalanche.

This letter is in response to Mr. John Medler, whose letter was published in last week's Avalanche. Mr. Medler obviously confused the Hearing by the Board of Commissioners with what he refers to as a "tax meeting".

The purpose of a Hearing is legally described as "a proceeding in which evidence is taken to decide a question of fact or order". This is presided over by an official whose duties are similar in part to the duties of a Chairperson of a committee. Parliamentary procedure is followed. The Chairperson of a Hearing, however, has the undebatable right to fix the time of adjournment without the necessity of a movement to adjourn. (Roberts Rules of Order, Art. III, Privileged Motions, par 10-11). Mr. Medler's letter takes exception to an action properly taken by Mrs. Kitchen.

His letter further states that "many people were not allowed the right or courtesy to speak". Several names were quoted in the Avalanche of people who did speak, some spoke more than once. Perhaps had Mr. Medler been knowledgeable of proper courtesy and decorum, he would have been knowledgeable of the fact that no one should request to speak the second time on the same question before everyone has had an opportunity to speak once (Roberts Rules of Order, Art. V, Debate & Decorum, par 34).

I attended the meeting for the purpose of listening and learning the facts as presented by the officials most knowledgeable to present current and projected figures and facts. This was done in a very professional manner by Mr. Wakeley, County Treasurer, Mr. Larry Hunter, County Assessor and Mr. Harrison Goodhue, who represented Senior Citizens. As questions were asked, Mrs. Kitchen properly referred them to the experts in each field.

The Board of Commissioners (who were subject to sub rosa vilification by members of a minority group at the rear of the room) acted exactly as they should have. They listened, took notes and remained apart from any discussion, thereby leaving control of the meeting in the hands of the Chairman, exactly as a Hearing should be conducted. It was necessary, on two occasions, for Mrs. Kitchen to rule the speaker "out of order". This was accomplished properly and with remarkable restraint.

One further comment by Mr. Medler referred to the meeting as a "sham". The only part of the entire meeting that might have been construed in such a manner resulted from one citizen's attempt to read loudly from a "prepared statement" that was not germane to the issue in any way. He was allowed to proceed until his assinine statement that "he had won World War II all by himself" prompted the Chairperson to use her gavel and rule him "out of order". His next disrespectful comment was "You and your damned hammer!" Mrs. Kitchen then closed the meeting. Citizens had one hour to ask questions and receive answers. Only a clamoring, dissident few, still "calling for a show of hands" for a reason not made clear, caused a portion of the meeting to be a "sham".

The fact that at the regular meeting of October 12th, the Board did reduce millage in each of the three areas under county control is positive evidence that they did listen to the citizens who spoke rationally and reasonably at the Hearing meeting. The reduction motion was made by Mr. Walt Nowak (whose many hours of work on the Budget Committee these past two years has been exemplary) was promptly seconded by Mrs. Harland, and passed by a 7-0 vote of the Board. The "system" works, so does the Board! To quote an "old" President, "If it ain't broke, don't fix it!!"

## Chamber Opposes Proposal D & G

by Don Geiss

The Grayling Regional Chamber of Commerce Board of Directors has agreed to back the Michigan State C of C in opposing Proposals "D" and "G" on the November 2 ballot.

Proposal "D" would require hearings on all utility rate increases, abolish rate adjustment clauses and establish procedures in rate hearings.

Proposal "G" would require an elected Public Service Commission. The proposed amendment would establish a 5 member Public Service Commission to be elected for 4 year terms with no more than 3 terms expiring at the same time, provide that the Commission perform the duties currently assigned to the appointed Public Service Commission, require nomination of candidates for Commission to be by partisan political party convention and election of candidates to be on non-partisan portion of ballot and provide that each Commissioner to be elected shall appear on the ballot as a separate office.

The Michigan State C of C contends that adoption of Proposal D would destroy a necessary regulatory mechanism which enables the Michigan Public Service Commission to effectively respond to federally mandated increases in energy costs, threaten the financial viability of Michigan utility companies and place in serious jeopardy the state's energy supply, especially as related to natural gas supplies and be detrimental to the state's energy delivery system and, through the threat of interrupted energy supply, be a deterrent to economic recovery and the attraction of new businesses and jobs to Michigan. The State Chamber of Commerce opposes "G" because it would create more politicians at taxpayers expense.

The Grayling C of C decided to oppose the two proposals during their monthly board meeting last week.

### A Report to District 7 Voters

From Garland (Bud) Joyce

During my campaign for election in District 7 last August, I promised to be an informed and active member of the Board of Commissioners, if elected.

Since the primary elections I have been active in several related areas and have taken time to become better informed of the duties of a Commissioners position. Some actions I have taken as a concerned individual, others as a representative of county government or a local organization. All actions, however, were for the betterment of all Crawford County residents, full or part time, and none were for my own personal recognition or gain.

1. I have corresponded with and talked with County and Township Officials re: Improvement and better maintenance of some secondary roads and erection of street signs where needed, particularly in the new District 7 area.

2. As Vice President of Lake Margrethe Property Owners Association, I have written to and discussed with state, district and county officials the requirements of county and district employees of the District No. 1 Health Department to properly enforce the mandatory regulations of the County Sanitation Code of 1973 with specific regard to the increasing water pollution problems at Lake Margrethe.

3. I have attended two meetings and discussed with DNR officials the improper and/or illegal seining or minnows from Lake Margrethe. Further meetings are to be held before spring of 1983.

4. I wrote a proposal that resulted in Crawford County receiving a \$3,000.00 grant for detailed mapping of the western half of Crawford County from color infra red photography. Results show accurate mapping of all forestry by tree type, size and location. This information is presently being entered into DNR computer in Lansing and will be retrievable for local use before the end of year.

5. I wrote a second proposal for acquiring the same information for the eastern half of county. I will make a presentation October 21st at Onaway in an effort to obtain another \$3,000 grant required for completion of this project as defined in Par. 4 above. These grants are made by the N.E. Michigan Manpower Consortium.

6. I attended a one day seminar in Lansing to learn how the DNR computer can assist us. I also attended a three day M.S.U. seminar for gaining working knowledge of remote sensing by infra red color photography to allow further use of the photos and maps by Crawford County assessors, road commission, planning & zoning, chamber of commerce, real estate, military officials, private industry and other interested parties.

7. I have worked with NEMCOG for completion of updated SOIL MAP and a PRIME FOREST LANDS in Crawford County. Information gained is presently being entered on DNR computer, maps will be available within 30 days.

8. I have written & talked with NEMCOG officials re: Use of a device called "Septic Snooper", to be used on Lake Margrethe next summer to detect specific areas and types of pollutions that are presently causing increasing pollution and lake eutrophication.

9. I have done extensive research into budgetary procedures of county budget with Mr. Wakeley, treasurer and Mr. Walt Nowak, budget committee chairman. I have had several, lengthy discussions with Mr. Nowak. His knowledge, open and honest attitude, and his genuine concern for proper and equitable use of every tax dollar has impressed me. I fully and unreservedly support his re-election. This will provide continuity and direction for budgetary decisions for at least the next two years, vital for the county economy.

Finally, when you vote for County Commissioner of District 7 on Tuesday, Nov. 2nd you should be aware that GARLAND (BUD) JOYCE will work to represent you in every way possible. I also believe that Crawford County can be better served if the voters of District 5 will either write WALTER NOWAK'S name or paste his sticker on the inside of the voting envelope. He has earned and deserves your support.

Crawford County is just beginning to "pull itself up by its bootstraps". A strong, dedicated and experienced team of Commissioners, working together, is already in place. Except for District 7, all incumbents are seeking re-election. If you support them, they will not fail you!!

Susan Marie Hubbell, the daughter of Mrs. Thelma Hubbell of Grayling, and Herbert E. Stephan, son of Mr. and Mrs. Peter W. Stephan of Grayling were united in marriage on Saturday, September 18, 1982 at the Michelson Memorial United Methodist Church. The Church was decorated by several carnation arrangements at the altar. The wedding ceremony was performed by Reverend Jeff Regan and witnessed by their family and friends. Pat Fowler, a relative of the groom sang "You Needed Me" and "Evergreen" accompanied by Janet Dice at the organ. The bride, who was given in marriage by her brother Roger Hubbell, wore a floor length white gown of Point D'Esprit and knit chiffon, the Venise lace bodice was enhanced with sequins and pearls, lace medallions accented the front and sides of the free skirt which ended in a semi-cathedral train of tiered wedgewood lace. The bride carried a cascading bouquet of assorted pink and

burgandy flowers laced with baby's breath. Miss Alice Maxwell of Grayling, was maid of honor, Mrs. Janet Hatfield, sister of the bride, and Mrs. Janet Pytlowany were bridesmaids. Miss Maelene Selesky, a cousin of the bride, was the flower girl. The bridesmaids wore a knit gown of pink fashioned with an empire bodice, Chantilly lace yoke edged in silk venise lace, and crystal pleated skirt, the flower girl was attired in a gown of white knit chiffon accented with a lace yoke, they all carried bouquets of assorted pink and burgandy flowers with cascading ivy. Bryan Stephan, brother of the groom was best man, the groomsmen were Jeff Johnson and Mitchell Millikin of Grayling, Matthew Millikin was ring bearer. A buffet dinner reception followed at St. Mary's Family Center. After a honeymoon to Tennessee Mr. and Mrs. Herbert Stephan will make their home in Grayling. (Carroll Wert Photo).

Welcome to news of the Retired Senior Volunteer Program. This week I'll be discussing volunteer activities at more stations served by RSVP volunteers. The Community Services of Grayling, sponsored by the Business & Professional Women's Club, provide many hours of activity for RSVP by the BPW club. Volunteers cut, sew together and sew buttons on the p.j.s and gowns. Yarn is provided and volunteers knit or crochet all sizes of hats and mittens. Volunteers also make stuffed rag dolls. Other volunteers cut, sand and glue wooden pull toys together for small children. They also make wooden blocks. All wood products are donated. Volunteers provide the elbow grease and time. All the above items are used for the Christmas basket project. Needy families in Crawford County are provided with a basket. Each child receives a gown or p.j.s, a hat and pair of gloves, and smaller children receive a doll, pull toy or blocks. These volunteers made over 200 children very happy and gave them a brighter holiday.

Many volunteers are working with the training aid folder project for COOR Intermediate School. Home-bound and other volunteers cut pictures, paste and put together in book form. These books are used by several classes at the COOR Intermediate School for training aids.

RSVP volunteers are involved with several national charitable organizations. Volunteers have helped in fund raising for Cancer Society, Cystic Fibrosis, Easter Seals, March of Dimes, Muscular Dystrophy and United Way. Volunteers have canvassed door to door in their neighborhoods collecting monies to be used by the organizations. People power!

At present, RSVP is in need of volunteers at the high school library as aids, taking inventory, cataloging, etc.; at the 4-H office answering phones and taking messages; at the Day Care Center for infants and older children - if you like to cuddle, rock and love children, here's your chance; to deliver meals to shut-ins with mileage reimbursement provided.

If you, or someone you know, are 60 years of age or older and would like to share a few hours a day or week or month, please give us a call at 348-4341 or 348-8322. RSVP office is open Monday through Friday, 8 a.m. to 5 p.m. Stop by or call us for more information.

#### Cool Ironing

If dampening is already done and there's no time for ironing, wrap dampened items in plastic bags and store in refrigerator or freezer. They can remain up to two days before mildewing. Chilled items iron more easily anyway.

By Steve Ross, 7th grade student

On Wednesday the Grayling 7th and 8th grade girls traveled up to Gaylord to play the Blue Devils. They came back with a sweep. The 7th grade won 31-16 and the 8th grade won 25-14.

Scoring for the 8th grade girls was Michelle Moore with 14 points, Julie Brooks with 4 points, Ronda Larson, Nikki Nicholas with 3 points and Catherine Kraus with 1 point. Defensively for Grayling they played a zone and pressed in the second half.

Scoring for the 7th grade girls was Debbie Clemons with 10 points, Kelly Springer with 9 points, Kelly Hudson with 6 points, Jenny Money with 4 points and Carrie Trudgeon with 2 points.

The girls played a man to man defense the whole game. This week the girls play Houghton Lake here on Wednesday and Mio here on Saturday. Both games will be at the Middle School gym.

#### Editor's Mailbox

Dear Editor,

The times are a little tough and most of us have to pay attention to each dollar we spend - and donate. We realize most of us also have to budget our time.

That's why, on behalf of the Cystic Fibrosis Foundation, and as chairperson of the recent "Breath of Life" Campaign for the community of Crawford County, I would like to thank everyone who volunteered so much of their valuable time to make this year's campaign so successful; Jenelle McClain, Denise Smock, Rita Rentschler, Julie Hinds, Penny Shepherd, Hazel Koernke, Ruth Caid and Janet Gilman. I also want to thank all of you who opened your doors and wallets to our volunteers.

The money you contributed will help extend the lives of children and young adults with CF and support the nationwide efforts of researchers to find a cure for this fatal disease. It will also help finance public education to promote early diagnosis and effective treatment.

Cystic Fibrosis would deserve our concern and support if it struck only one family. But CF is America's No. 1 genetic killer of our youth, and one out of every 20 of us carries the gene that can pass the defective gene along to the next generation.

We have a long way to go to conquer CF. Each one of you who gave to the "Breath of Life" Campaign of the Greater Michigan Chapter of the Cystic Fibrosis Foundation helped us take another step.

Thanks so much, Jeanie Harwood

Jan Ream, a wife and a mother, teacher, counselor, and public speaker will be speaking at the 11th annual Win-Some Women's Retreat, on Friday, November 5th and Saturday, November 6th at Boyne Mountain Lodge, in Boyne Falls, Michigan.

Jan has counseled professionally, specializing in individual, marriage and family therapy. Because of her successful counseling practice she is in great demand as a speaker for school, community and religious groups where she talks to students, parents, ministers and other counselors.

A Special Community Banquet, for men and women of all ages will be the highlight of the retreat weekend. Ernie Harwell, famous Tiger baseball sport announcer, will be the guest speaker. The program and dinner will be held November 6th at 7:00 p.m. in the Boyne Mountain Convention Hall.

#### Reverend Promoted To Colonel

Reverend Donald Neuville, of Linden, has been promoted to full Colonel in the U.S. Army Reserve.

His new rank makes him supervisor of the Chaplain program and Senior Chaplain for all of the 70th Division plus Division Headquarters in the 2nd Brigade. He is responsible for developing the entire chaplain program as well as training and supervising the work.

Only four percent of all Army officers ever reach the rank of Colonel.

Neuville is a graduate of CMU and has served as pastor of the Linden Presbyterian Church since 1966. He is the son of Mrs. Greta Neuville, a resident of Frederic since 1964.

## Bits O'Talk

by Fay Bovee

Robert and Lynn Porter are happy over the arrival of Lindsay Patrice who was born at Munson Medical Center on October 10, 1982. She weighed 6 lbs. Grandparents are Vince and Phyllis Caudy of Lake City.

Skip and Sherry Hanson spent five days in Manhattan, Kansas, where they visited 1st Lt. Mark and Candy Hanson. Mark is stationed at Ft. Riley. Mark and Candy are the pleased parents of a baby daughter, Heather Rebecca, who was born on September 5, 1982. She weighed 7 lbs. 6 ozs. Grandparents are Col. Hanson and Mrs. Marilyn Hanson, both of Grayling. Great grandparents are Mr. and Mrs. Carl Hanson of Grayling, Mr. and Mrs. Howard McLean of Alpena, and Mr. and Mrs. Arnold Strang of Southgate.

Jim and Joyce Kolka spent a ten day vacation in Tryon, North Carolina. They met friends there for golfing and sightseeing.

Mr. and Mrs. Joseph Stripe and Mr. and Mrs. Les Hunter spent two days at Stratford, Ontario, visiting Mary Hunter at the theatre. They had complete tour of one of the theatres.

Mrs. Michael Elliott and son, Michael Ryan, spent a week here visiting her mother, Mrs. Mary Jane Knibbs.

Bob and Fay Bovee spent weekend before last in Dublin, Ohio, visiting their daughter, Dena Bovee.

## Editor's Mailbox

On the front page of the paper concerning the "Proposed" "New Grayling Township Hall", I see Both the question and answers were prepared by Grayling Township Officials. Interesting. Pretty hard to be wrong when you answer your own questions.

The "Township Improvement Fund" was said to have over \$122,505.28 in it, which was saved for this project. These monies, as the officials well know, can not be used, (according to State Law) for any "Township Hall." (Only for streets, curbs, gutters, etc., etc.) P.A. 116, 1923 - M.C.L.A. 41.411 Sect. 1.

You state in the paper the Improvement fund has \$122,505.28 in it? Isn't that exactly the same figure that was in it (or showed in it) on the 81-82 fiscal year balance sheet? Yet I seem to recall just recently you transferred some \$29,000.00 into the General Fund from the Improvement Fund, has this \$29,000.00 been spent for something else? With all this money in the Improvement Fund, plus the interest incurring from these accounts, shouldn't we be repairing some of our roads, etc., as the monies was put in fund to do? Or if not, why not give it back to the people in the form of "reduction in taxes" or Free trash pickup or something useful to the people. You certainly don't have to use the "Truth in Taxation" (Joke) Law to get us for more of Our tax dollars "without our vote", if

you have this kind of money to play with.

You state the original price on building was \$176,000.00. How did we get to the figure of over \$200,000.00 at the hearing we had? and then some of the items were not figured in such as insurances, heat, electricity, etc., etc., the low bid was \$182,517.00 and this figure didn't include, insurance, architectural fees, utilities, heat, electricity and maintenance, etc., etc. You suggested or "estimated" the cost of \$6,000.00 yearly for utilities. I can't see how anyone can justify spending \$200,000.00, (approximate) plus interest, and then still end up paying as much for utilities as you now pay for total rent, and we still haven't gotten into maintenance, snow plowing, grass cutting, etc., etc.

The question "on the ballot" doesn't quote or even suggest the price tag, I wonder why?

Lastly, we still don't know who authorized the building of a township hall or borrowing of the money to do so, the Law states, according to M.C.L.A. 41.241, Sec. 1, that "after application has been filled by 12 registered electors of the township, they may then borrow for a township hall". Who are the electors and was the application filled accordingly???

## Notice of Public Hearing on Increasing Property Taxes

### The Township Board of the Township of Lovells

Will hold a public hearing on a proposed increase of .24347 mills in the operating tax millage rate to be levied in 1982.

The hearing will be held on Friday, October 22, 1982 at 7:00 o'clock in the P.M. at Lovells Township Hall.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 5.1% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

The above notice should not be construed as a tax increase. This is merely an adjustment due to new laws mandated by the State and therefore should not reflect any increases to the individual over the State Equalized Value of your assessment.

## Attend the Church of Your Choice

## The Comforts of Home

To our forefathers, this was living at its best... but the hard chair, the iron pot and the open grate would not be our idea of comfort.

Today kitchens sparkle with bright, easy-to-clean metals, and cupboards are filled with helpful appliances. We relax in foam-padded chairs and sleep on spring-filled mattresses. Almost every aspect of modern life is slanted toward speed and convenience.

Man, with his marvelous God-created brain, has overcome many obstacles, and there seems to be no limit to his inventiveness. God has given us a world full of possibilities, and minds that constantly seek to improve our environment.

But to make the most of our opportunities, we must ever develop and renew the resolute "faith of our fathers." Come worship with others and receive that heritage of inspiration and light.

### Baby Shower Held

A baby shower was held for Denae Fox on Wednesday evening at the home of Mrs. William Cox.

Decorations for the table were pink and blue candles, stork napkins, fresh cut flowers and a "Winnie the Pooh cake" made by Lynn Reeves.

The evening was spent playing games and visiting. Prizes for the games were won by Debbie Walker, June Ginther, Rita McEvers, and Debbie Watts.

After the games a lunch of cake, sherbet, coffee and tea was served.

Denae received many beautiful and useful gifts for the expected baby.

Hostesses for the baby shower were Greta Chapp, Caroline Golnick, Lynn Reeves, and Nancy Cox.

Denae is the daughter of George and Rita McEvers.

### College Bound

Connie Keene, daughter of Mr. and Mrs. Robert Keene of Maple Forest township, sophomore, Northwestern Michigan College, Traverse City, in elementary education.

Laurie Scheer, daughter of Mr. and Mrs. Bill Scheer, senior at Ferris State, in social services corrections.

Sherry Priestap, daughter of Dan and Maggie Priestap, sophomore at Central Bible College, Springfield, Mo.

### Editor's Mailbox

Dear readers,

I sincerely wish there was time to knock on every door in the district, meet you and spend 1/2 hour or so listening to YOUR views and asking YOUR opinions. If you call me at home, 348-8959, I'll return the call.

My primary purpose for running is to try to curb wasteful, uncontrollable spending and the daily passing of new unnecessary laws, ordinances, regulations and rules to further restrict our freedoms, properties and lives.

Don't get me wrong, we need laws, BUT today even the lawyers DON'T understand or know all the new restrictive laws, where does it end? "Birth to grave protection" by the government? With a separate permit, license, or authorization for every thing you do in between? Not to mention the unfair, never ending increases of your property taxes.

November 2nd is FINAL election day (this one counts). Unfortunately only 30% of the people will vote, and 2% or less will be the "deciding factor". I'm still running for District 5 Commissioner, if elected I will try to "SERVE the PEOPLE" to the best of my ability, but I need YOUR vote and the 2% + edge. Nuff said!

Thank you  
Don Weiser

**Your Week Ahead Horoscope**  
Forecast Period: 10/24 - 10/30/82

**ARIES**  
Mar. 21-Apr. 19  
Looking at the true picture rather than what you'd like it to be puts finances in a different light. Be realistic.

**TAURUS**  
Apr. 20-May 20  
Keep your eyes open and your mind alert to possible pitfalls in your investigative activities.

**GEMINI**  
May 21-June 20  
It's possible that fame and fortune is to be found in your dancing feet. Grab your partner.

**CANCER**  
June 21-July 22  
Do not stir up trouble on the labor front. Your perception of grievances tends to be hazy.

**LEO**  
July 23-Aug. 22  
It's not the best time to deal in chancey matters. If you must, you'd better take off the rose-colored glasses.

**VIRGO**  
Aug. 23-Sept. 22  
Guard against one who would invade your home with a silken tongue. You can't afford to be hoodwinked.

**LIBRA**  
Sept. 23-Oct. 22  
Travelling has its hazards. Keep your attention from wandering. Anticipate the other's actions. Drive defensively.

**SCORPIO**  
Oct. 23-Nov. 21  
An unexpected development in corporate matters indicates financial gain, or procurement of a choice piece of property.

**SAGITTARIUS**  
Nov. 22-Dec. 21  
Health and vitality are yours if you observe a sensible exercise routine. Get out in the fresh air.

**CAPRICORN**  
Dec. 22-Jan. 19  
Probing into a behind-the-scenes situation reveals some truths you don't really need to know. Don't be nosy.

**AQUARIUS**  
Jan. 20-Feb. 18  
Your leadership role is threatened when one from a distance becomes involved with your associates. It's your choice.

**PISCES**  
Feb. 19-Mar. 20  
Professional standing is enhanced when you draw on your knowledge and skill to ease a tight situation.
